Here When You Need Us!

April Cherelle Murphy

About Us

In May 2007, our 20 year old daughter, April Cherelle Murphy was diagnosed with breast cancer. Although an immediate and intense medical strategy was implemented, the cancer was extremely aggressive and April lost her hard fought battle to the horrific disease in March, 2008.

We later started the **Miss April Murphy Memorial Foundation** to provide an all-encompassing support system for young breast cancer patients whose journey may mirror April's.

Our goal is to enhance lives by minimizing the physical and mental traumas as well as the financial challenges patients may encounter while undergoing treatment.

Some of the Services We Provide

- Patient day care
- Wigs & make overs
- Personal hygiene kits
- Treatment related car service
- Meal preparation & delivery
- Massage therapy
- Housekeeping
- Individual & group counseling for patients
- Caregiver support
- Legal & tax service referrals
- Financial assistance for utilities, rent, and prescription co-pays

The M.A.M.M. Foundation takes pride in providing healing for the mind, body and soul of our young women. If you or someone you know has been diagnosed with breast cancer and would like further information about our services, you may visit our website at www.themammfoundation.org or contact us directly at:
